

ROKO® PROFESSIONAL UNOLIM SHINE

DESCRIPTION

Unolim Shine is a professional preparation for cleaning and shining water-resistant floors. The agent creates an even, smooth, high-gloss coating. It dries quickly and leaves no streaks. Effectively polishes and reduces the re-deposition of dirt and dust. Systematic use of the preparation facilitates the removal of impurities. It contains montan wax with high gloss and durability properties.

COMPOSITION

non-ionic surfactants, anionic surfactants, EDTA and its salts, preservative, fragrance

TECHNICAL REQUIREMENTS

Appearancetransparent or opalescent liquid

pH6.5 ± 1.0

Density at 20°C, g / cm³1,000 ± 0.020

APPLICATION

Usage: Dilute the concentrate according to the method of cleaning and the degree of contamination. Always use cold water.

Recommendations: Suitable for cleaning and polishing, e.g. rubber, PVC, linoleum flooring.

40 - 100 ml / 10 L of water

For professional use only!
