TECHNICAL DATA SHEET

ROKO HYGIENE LIQUID SOAP EKO STANDARD RH-065B WHITE							
<p><u>Application:</u></p> <p>Liquid hand and body soap with a delicate lily of the valley fragrance. Delicate for the skin. High content of surfactants, average concentration of chlorides and addition of moisturizing ingredients – perfect as an economic solution for relatively demanding users.</p>	<p><u>Properties:</u></p> <p>Moisturizing liquid soap with glycerin and lanolin intended for dehydrated skin care. It perfectly protects the skin against dehydration and irritation. By penetrating into epidermis glycerin traps water in its deeper layers and smoothes the skin. Lanolin perfectly conditions and moisturizes the skin and it also has softening properties. The value of pH is natural for skin.</p>
